## Art. 19 - ADMINISTRATIVE AND TECHNICAL CHECKS

(...)

19.7 Each team will be assigned, by the Organiser and communicated by email, a specific time for the Administrative and Technical Checks, and strict compliance with the assigned time is mandatory.

Any team that does not present itself at the time assigned will lose its position in the checking order, will be moved to the end of the scheduled sequence for checks, and will be subject to an additional charge of EUR 120.

Checks carried out outside the originally assigned time will be subject to the availability of time and to the operating conditions of the checking services and cannot be guaranteed by the Organiser.

If, as a consequence of late presentation, it is not possible to complete the Administrative and Technical Checks within the period established by the regulations, the team may not be admitted to the start and, consequently, may be prevented from taking part in the event.
